Rainbow Song

{Twinkle, Twinkle Little Star}

When the Rain Falls from the Sky (Flutter Fingers Downward)
Don't Forget to Look Up High (Cup Hand Above Eyes & Look Up)
If the Sun is Shining There (Make a Circle with Arms Above Head)
You May Find a Rainbow Fair (Sweep Arms in an Arc Above Head)
Red, Orange, Yellow, Green & Blue
And You'll See There's Purple Too

I'm a Little Ice Cube

I'm a Little Ice Cube, Frosty and Square, I Make Things Icy Cold Everywhere
If It Gets Too Warm, I Better Watch Out, Because I Will Melt, There is No Doubt

Gravity

Gravity, gravity, if you go up then you'll go down
Gravity, gravity, it's the force that pulls you to the ground
Get a ball. Throw it high, and see where it will go
Watch it move through the air and come down so low
Jump up high. Try to stay suspended in mid-air
Watch out 'cause you'll touch the ground; gravity takes you there
Gravity, gravity, if you go up then you'll go down
Gravity, gravity, it's the force that pulls you to the ground
Take that ball and some paper crumpled up so tight
The ball is really heavy, but the paper is so light
Drop them both from way up high and see which one lands first
Gravity takes everything at one speed to the earth
Gravity, gravity, if you go up then you'll go down
Gravity, gravity, it's the force that pulls you to the ground
